With access to the world's finest suppliers, we offer a curated selection of luxury interior products to enhance life on board. From premium hand-rolled cigars and indulgent toiletries to fresh, rare flowers and bespoke fragrances, there are no limits to what we can provide.

MEATS

At Private Yachts, we specialise in sourcing and delivering the highest quality fresh and frozen meats to luxury superyachts across the globe. With an unwavering commitment to excellence, we take pride in offering an unparalleled provisioning service designed to meet the unique needs of discerning yacht owners, captains, and chefs.

Our carefully curated selection includes world-class cuts of premium beef, tender lamb, succulent free-range pork, and an exquisite range of poultry and game, all sourced from trusted, reputable suppliers known for their exceptional standards of animal welfare and sustainability. For those seeking rare or specialty items, we go beyond the ordinary, procuring bespoke and hard-to-find meats tailored to your exact preferences.

Every order we handle is treated with precision and care, ensuring that each product arrives fresh, impeccably packaged, and ready to exceed your expectations. Our global network and logistics expertise allow us to deliver seamlessly to even the most remote locations, ensuring that your culinary vision is never compromised, no matter where your journey takes you.

Behind our success is a dedicated team of provisioning specialists, food experts, and logistics professionals who work around the clock to provide a personalised, hassle-free experience. From last-minute requests to complex provisioning lists, we combine flexibility, reliability, and superior quality to meet the demands of luxury yachting with ease and efficiency.

SEAFOOD

We specialise in sourcing and delivering the finest fresh and frozen seafood to luxury superyachts. With a passion for quality and an uncompromising commitment to excellence, we provide a bespoke provisioning service designed to meet the exacting standards of yacht owners, captains, and chefs.

Our extensive range features premium-grade seafood from the world's most pristine waters, including sustainably caught wild fish, delicate shellfish, and exotic ocean delicacies. From rich, buttery lobster tails and hand-dived scallops to sashimi-grade tuna and caviar of unparalleled refinement, every product we source is carefully selected for its superior taste, freshness, and ethical sourcing.

Our network of trusted fisheries and aquaculture partners ensures we can procure even the rarest and most sought-after seafood varieties. Whether you require live king crab delivered at a moment's notice or custom filleted cuts of the freshest catch, we pride ourselves on delivering products tailored to your exact culinary specifications.

Seamless logistics is at the heart of our service. Our experienced team handles every detail — from precise temperature control to expert packaging — ensuring that your order arrives in impeccable condition, no matter how far or remote your destination. We understand the dynamic nature of yachting, which is why we offer flexibility, efficiency, and reliability at every stage of the provisioning process.

FRESH PRODUCE

We can source and deliver the finest fresh produce to luxury superyachts. From rare and exotic fruits to specialty vegetables, aromatic herbs, and premium spices, our bespoke provisioning service is crafted to meet the highest culinary standards for yacht owners, captains, and gourmet chefs.

Our carefully curated selection includes the most sought-after produce from renowned global markets and specialist growers. Indulge in exquisite Japanese fruits such as perfectly ripened crown melons, ruby-red strawberries, and delicate white peaches, all celebrated for their exceptional sweetness and texture. Elevate your dishes with exotic vegetables like purple cauliflower, Romanesco broccoli, and edible flowers that bring both flavor and artistry to your table. We also offer an extensive range of fragrant herbs and rare spices, sourced from the finest regions to inspire creativity in every dish.

Quality and freshness are paramount. We work closely with trusted suppliers and farmers who share our passion for excellence and sustainability. Every product is meticulously selected, handled with care, and expertly packed to preserve its peak condition.

Private Yachts believe provisioning fresh produce is more than a service — it's an art that transforms every dining experience into a celebration of nature's finest offerings. Wherever your journey takes you, trust us to provide the highest quality fruits, vegetables, herbs, and spices, bringing inspiration and indulgence to your table at sea.

SPIRITS & WINE

At Private Yachts, we specialise in sourcing and delivering the finest wines, spirits, and beverages to luxury superyachts wherever you may be. Our bespoke provisioning service is designed to meet the sophisticated tastes of yacht owners, and sommeliers, offering an exquisite range of products that reflect Europe's rich vinicultural heritage and distilling traditions.

Our expertly curated wine selection includes celebrated labels from France's Bordeaux and Burgundy, Italy's Tuscany and Piedmont, and Spain's Rioja and Ribera del Duero. Additionally, we take pride in featuring distinguished wines from Greece, including the mineral-rich Assyrtiko of Santorini and the structured Xinomavro of Naoussa, adding a taste of Mediterranean character to your onboard cellar.

Our premium spirits collection spans Europe's most iconic offerings: fine Scottish single malts, small-batch English gins, and Italy's finest grappa and amaro. For a touch of Mediterranean flair, we offer barrel-aged ouzo, aromatic Mastiha, and premium vermouths perfect for elegant cocktails. Complementing our offerings are craft beers, specialty mixers, and a curated range of non-alcoholic luxury beverages to suit every taste and occasion.

Every order is managed with precision, from selecting exclusive vintages to ensuring temperature-controlled delivery, guaranteeing that each bottle arrives in perfect condition. Whether you are planning a formal wine pairing, or simply stocking your bar with the finest offerings, we deliver the flavours of Europe and the Mediterranean straight to your table at sea, creating unforgettable moments one glass at a time.

INTERIOR PRODUCTS

We can source and deliver the most luxurious interior products and amenities. From premium toiletries and fragrant florals to the finest cigars and bespoke accessories, our provisioning service ensures that every detail on board reflects the highest standards of luxury and refinement.

Our curated selection of toiletries includes world-renowned brands and artisanal products, offering a sensory experience of indulgence and elegance. From exquisitely scented soaps and hand-crafted or designer fragrances, we provide everything needed to create the perfect ambiance at sea. For personalised touches, we source exclusive, custom-branded options tailored to your yacht's unique style and guest preferences.

Our cigar collection includes hand-rolled Cuban classics from Cohiba, Montecristo, and Romeo y Julieta. Each cigar is selected for its quality, aging, and rich flavor profile, stored in climate-controlled conditions to preserve its peak condition. Elegant humidors and accessories are also available to complete the experience.

Flowers and decorative arrangements from our finest florists, ensuring fresh, vibrant blooms tailored to your aesthetic vision. Whether it's delicate orchids, fragrant roses, or Mediterranean-inspired greenery, we provide bespoke floral creations that elevate the interior ambiance and bring natural beauty to every space.

Seamless logistics and expert handling are at the heart of our service. We work closely with you to fulfill last-minute requests, seasonal requirements, and bespoke orders, delivering to even the most remote marinas across the Mediterranean and beyond. Every product arrives impeccably packaged, reflecting the care and attention to detail your yacht deserves.
